

Exquisite Estate of Unparalleled Beauty and Natural Diversity

Unveil the allure of this magnificent 264-acre estate, a veritable gem of natural grandeur. This expansive property is artfully partitioned, with 40% devoted to awe-inspiring mountain ranges and 60% to sweeping, verdant grasslands, presenting a diverse tapestry of landscapes and untapped potential. The mountains, draped in luxuriant foliage, offer a tranquil and picturesque sanctuary.

A resplendent river gracefully winds its way through the estate, imbuing the land with vitality and a refreshing ambiance. Additionally, the estate is adorned with over ten crystalline springs and several prolific streams, crafting an idyllic habitat for indigenous flora and fauna.

A distinguished feature of this estate is its proximity to the Carara National Park, a thriving wildlife sanctuary. This advantageous location not only bolsters the preservation of the natural environment but also provides unique opportunities for nature aficionados eager to immerse themselves in an area of extraordinary biodiversity.

For those passionate about flora and fauna and seeking a sanctuary where one can indulge in serene walks and a profound connection with nature, this estate is an unparalleled refuge. Experience the unrivaled beauty of this property and uncover the myriad wonders it holds.
