Only 30 miles from Nacogdoches, Texas's oldest town, offers small-town shopping and the campus of Stephen F. Austin State University. Axe 'em, Jacks!

A number of timber mills, including Georgia Pacific (Pineland), Georgia Pacific (Corrigan), Angelina Forest Products (Lufkin), Cal-Tex Lumber (Nacogdoches), and Roy O Martin (Corrigan), are all within a 90-mile radius of the property, giving timberland buyers security in their investment.

ACCESS

County Road 255 is a county-maintained gravel road just one mile south of State Highway 21, a state-maintained paved highway that runs from Nacogdoches to San Augustine.

The availability of utilities is unknown and will need to be verified by the buyer. There are power poles along CR 255 just north of the tracts.

SITE DESCRIPTION

Residential real estate, small acreage investment, recreational use, hunting/wildlife management, and timber production are all in play here, with individual tract sizes available from 6 to 323 acres. There are 464 acres in total available.

The Denning Pines Properties offer a mixture of mature timber and young loblolly pine.

TIMBER

The primary timber types are young pine plantations planted in 2015 and 2020. Stream Side Management Zone (SMZ) hardwood corridors are breaking up the young plantations, giving a mosaic appearance.

The young plantations are second generation loblolly seedlings planted at 605 trees per acre with a site preparation regime of a chemical application and prescribed burning.
